OFFICE OF PETITIONS

In re Application of :
David Minturn :
Application No. 10/748,415 : **DECISION ON PETITION**
Filed: December 30, 2003 :
Attorney Docket No. INTCP005 :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed June 30, 2008, to revive the above-identified application.

The petition is **GRANTED**.

This above-identified application became abandoned for failure to timely file a response to a non-final Office Action, which was mailed on October 9, 2007. The non-final Office Action set a three (3) month shortened statutory period for reply. No extensions of time were obtained under the provisions of 37 CFR §1.136(a). Accordingly, this application became abandoned on January 10, 2008. A Notice of Abandonment was mailed on April 29, 2008.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an amendment (2) the petition fee of \$1540, and (3) a proper statement of unintentional delay.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

In light of the rejected power of attorney, a courtesy copy of this decision is being mailed to the address given on the petition. However, the Office will mail all future correspondence solely to the address of record.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3215.

This application is being referred to Technology Center AU 2144 for appropriate action by the Examiner in the normal course of business on the reply received.

A handwritten signature in black ink, appearing to read "Charlema Grant", with a stylized flourish at the end.
